These students will also need to complete the Thesis at FJCU	

Attachment 3

Application Procedures

There is no closing date for applications for the Master of Business programs; however students are required to finalize their acceptance and arrive at QUT on time for classes. Students are also strongly advised to allow for sufficient time for visa application. Hence, it is suggested that applications for admission are submitted four months prior to commencement of the course.

A non-refundable application fee of AUD\$55 is normally required from all applicants although this fee is waived if the application is received via FJCU CM. To facilitate application processing, FJCU sends applications for each intake to QUT in a batch to teama@qut.edu.au. International Student Application forms (F forms) are processed on receipt and the successful applicants are made an offer for the next available intake. Conditional offers can be made on results available at the time of application. Offers are confirmed after receipt of the final results.

For FJCU students, unconditional offers can be made based on the completion of the first semester of the program at FJCU.

Minimum Entry Requirements

Both minimum academic and English entry requirements must be met to gain admission to QUT.

Academic Entry Requirements – Successful completion of all required subjects in the first semester at FJCU with an overall minimum grade point average of 2.75 on the FJCU 4 point scale.

English Proficiency Requirements

Please refer to attachment 1

Financial Responsibilities

Students will bear the costs of

- Tuition and fees
- Books, supplies, etc.
- Travel to and from QUT and accommodations and other living cost
- Costs associate with graduation (caps, gown, etc.)
