01 Thesis Final Defense Agreement

Part I

I, _____, student ID _____,

would like to apply for the thesis final defense in _____ (fall/ spring) _____ (year).

I declare that the following statements are true and correct. If not, I will bear full responsibility, including the invalidation of the thesis final defense result.

- ☐ All prerequisite and compulsory courses are completed or are being completed in the same semester as the thesis final defense. The "*THESIS*" course is also taken in that same semester when applying for the final defense, and the minimum graduation credit requirements are met.
- ☐ English proficiency meets the B2 level of the Common European Framework of Reference for Languages (CEFR), with test scores valid within two years before graduation. **(Proof required)**
- ☐ In addition to the hard copy, please upload the proof of English proficiency to: <http://slcs.dsa.fju.edu.tw/Login.aspx>
- ☐ The Academic Research Ethics training required by the Ministry of Education (MOE) has been completed. **(Proof required)**
Training website: <https://ethics-s.moe.edu.tw/dologin/s/>
- ☐ The thesis must pass the plagiarism checker Turnitin, with a similarity rate not exceeding 20% (references and table of contents excluded). **(Proof required)**
 1. Create an account: <http://home.lib.fju.edu.tw/TC/essaywriting>
 2. User guide: <https://www.igroup.com.tw/turnitin-feedback-studio/user-guide-student/>
 3. Note: Activate your FJCU library account at the library service desk before registering for Turnitin.

I understand that the thesis must be revised and approved by the advisor after the final defense. (Name: _____)

Applicant's signature:

Date:

(yyyy/mm/dd)

Part II

- ☐ I confirm that the above-named student is qualified to take the thesis final defense.
- ☐ I confirm that the student's thesis has passed the plagiarism check via Turnitin, with a similarity rate not exceeding 20% (references and table of contents excluded).
