

Graduation Requirements

MBA Program in International Management (imMBA)

Fu Jen Catholic University

Article I: imMBA graduation requirements are listed as follows:

1. Complete 32 credits of required courses, including thesis, 0 credit.
2. Complete 10 credits of elective courses.
3. Pass master's thesis examination.
4. Minimum graduation credit is 42, including required courses, elective courses, and thesis.

Article II: English proficiency requirement

1. TOEIC 750 or iBT TOEFL 71 or IELTS 6.0
2. Score of English proficiency test is only valid within 2 years prior to graduation.

Students who don't meet the standard are required to do the following:

1. Take two English proficiency tests, TOEIC or iBT TOEFL or IELTS.
2. Take two imMBA approved English proficiency-enhancing courses and achieve scores of 70.
3. English proficiency-enhancing courses will not be counted towards graduation credits.

Qualification to waive English proficiency requirement:

1. Once enrolled as a full-time student for at least 2 years at a university, not including language schools or courses, located in limited countries (see note) within 5 years prior to enrolling in imMBA.
2. It's compulsory to show valid proof of documentations, such as enrollment, transcripts, diploma, etc.

Note: US, UK, Ireland, Australia, New Zealand, Canada and South Africa

Article III: Course registration

1. Economics, Business Management, Statistics and Accounting are imMBA prerequisite courses. Students who did not take or failed these courses during their undergraduate studies need to complete and pass 1 of the aforementioned courses before the end of the first semester in the first year of enrollment. The chosen prerequisite course can't be counted towards graduation credits.
2. All graduate-level courses offered by other departments within College of Management can be recognized as elective credits.
3. Graduate-level courses offered by other Colleges can only be counted towards graduation credits with the consent from imMBA director before course registration.

4. Taiwan (ROC) students who choose non-English taught courses will only earn half of the credits (for example, only 2 credits will be received from a 4-credit course). Students of other nationalities are not subject to this limitation.
5. With the exception of the very last semester before graduation or the consent from imMBA director, all students in the first year need to take 9-18 credits per semester, and 8-18 credits per semester in the second year.

Article IV: Prerequisites and procedures of master's thesis examination:

1. The prerequisite course and all required courses are passed, or in the process of completing during the semester of applying for master's thesis examination.
2. Minimum graduation credits are met.
3. English proficiency requirement is met. Its official hardcopy transcript needs to be submitted to imMBA office before applying for master's thesis examination.
4. To declare that the above information is true and correct, if not, students should bear all the responsibilities, including the result of master's thesis examination being invalid.
5. Master's thesis examination procedures are considered complete upon passing the master's thesis examination, finishing thesis revision with the advisor's endorsement, and submitting official result to the Office of Academic Affairs.
